Inspector Harry Hole finds a Norwegian serial killer in this installment of Jo Nesbo's New York Times bestselling series. *Now a Major Motion Picture starring Michael Fassbender*

The night after the Christmas Eve of 1991, a young woman is found dead in a snowy field. Her body has been left unattended. Only one man is seen near the woman at the time, and the police are convinced that he is the killer. But when the woman's body is found, the police discover that she was not alone. The body is found with a red mark on her forehead, and the police are convinced that the killer is a woman. The police are convinced that the killer is a woman, and the police are convinced that the killer is a woman. The police are convinced that the killer is a woman, and the police are convinced that the killer is a woman.
